SLANT

106" FRONT
72" BACK WALLS

9/12 PITCH

The Studio

Combining sleek design with functional elegance. Featuring a clean, contemporary aesthetic and dual rows of expansive windows, it invites natural light from every angle.

PEAK

78" WALLS

6/12 PITCH

The Cape Cod

An extremely popular design with a roofline midway between the Classic and the A-Frame. This design looks great with a cupola and flowerboxes.

PEAK

78" WALLS

6/12 PITCH

The Villa

This structure offers a contemporary hip style roof. The Villa adds a touch of gracious style to your backyard.

PEAK

84" FRONT
72" BACK WALLS

7/12 PITCH

The Quaker

An attractive and unique design with a distinctive roof overhang on the front. Offers plenty of headroom and open rafters allowing a loft for maximum storage space.

PEAK

78" WALLS

5/12 PITCH

The A-Frame

A popular peak style with its versatile layout and lower pitched roof. Offers a great value in storage and is attractive to any homestyle.

PEAK

78" WALLS

5/12 PITCH

The Garage

Our line of Garages are inspired by our most popular building and barn styles, offering spacious designs ideal for large equipment.

PEAK

78" FRONT
93" BACK WALLS

6/12 PITCH

The Monterey

A practical storage shed with an offset roof peak designed to maximize headroom. A full-length loft provides excellent vertical storage for bulky items while preserving a classic, attractive look.

PEAK

78" WALLS

8/12 PITCH

The Classic

Offering great styling and design options with the steepest roof pitch of all the peak styles, making it well suited for both traditional and contemporary applications.

GAMBREL

78" WALLS

6/12 PITCH

The Colonial Dutch

This barn design offers high sidewalls and accommodates doors on side. A gambrel roof features lots of headroom and also the space for additional loft storage.

OFFSET

84" FRONT
72" BACK WALLS

7/12 PITCH

The Carriage

A unique design similar to the Quaker's without front overhang. Offers maximum storage space with its height and open rafters.

PEAK

78" WALLS

5/12 PITCH

The Run-In

A simple, three-sided shelter that allows livestock to run in for protection from sun, wind, and rain while maintaining access to pasture. It provides essential shelter and can double as storage for equipment.

PEAK

78" WALLS

5/12 PITCH

The Double Wide Garage

An ideal storage solution for cars, boats, and ATVs, this building comes with two garage doors, three windows, a personnel door, and a full-length ridge vent. Available up to 48' long.
